MONDAY SEPTEMBER 12, 1960

PART—Orders and Notifications by the Governor of East Pakistan, the Administrator, Martial Law in East Pakistan, the High Court, Government Treasury, etc.

GOVERNMENT OF EAST PAKISTAN

HOME (TRANSPORT) DEPARTMENT
NOTIFICATION

No. 462 HTD.—9th September 1960—In exercise of the powers conferred by clause (a) of sub-section (1) of section 4, read with clause (9) of section 3 of the Ports Act, 1908 (XV 1908), the Governor is pleased to extend the provisions of the said Act to the ports of Narayanganj, Dacca, Tongi, Chandpur, Barisal and Khulna-Daulatpur.

No. 463 HTD.—9th September 1960—In exercise of the powers conferred by sub-section (1) of section 7, read with clause (9) of section 3 of the Ports Act, 1908 (XV of 1908), the Governor is pleased to appoint the East Pakistan Inland Water Transport Authority established under section 3 of the East Pakistan Inland Water Transport Authority Ordinance, 1958 (East Pakistan Ordinance No. LXXV of 1958), to be Conservator of the following Ports and the navigable rivers and channels leading to them with effect from the 1st September 1960, namely:

Names of Ports

Narayanganj, Dacca, Tongi, Chandpur, Barisal and Khulna-Daulatpur.

No. 464 HTD.—9th September 1960—In exercise of the powers conferred by sub-section (2) of section 4 of the Ports Act, 1908 (XV of 1908), the Governor is pleased to declare that the limits of the ports mentioned in the First Schedule and the navigable rivers and channels leading thereto shall be as defined in column 2 of the Second Schedule.

THE FIRST SCHEDULE

Names of Ports

Narayanganj, Dacca, Tongi, Chandpur, Barisal and Khulna-Daulatpur.

THE SECOND SCHEDULE

(Limits of Ports, navigable rivers and channels).

(1) Narayanganj

(i) *To the North*—A line drawn east and west across the River Lakhya at latitude 23°-43'-50" N.

(2) Dacca

- (i) *To the North*—A line drawn to east and west across the Buriganga River at latitude 23°-48'-10"N.
- (ii) *To the South*—A line drawn north and south across the River Buriganga at Fatulla at longitude 90°-28'-15"E.
- (iii) *To the East*—Up to 50 yards beyond the high water mark at ordinary spring tides from the east bank of the Buriganga River as it runs between the above described north and south limits.
- (iv) *To the West*—Up to 50 yards beyond the high water mark at ordinary spring tides from the west bank of the River Buriganga as it runs between the above described north and south limits.

(3) Chandpur

(i) *To the East*—A line drawn north and south across the Dakatia River at Longitude 90°-40'-20"E.

- (ii) *To the South*—Up to 50 yards beyond the high water mark at ordinary spring tides from the south bank of the Dhaleswari River.
- (iii) *To the East*—Up to 50 yards beyond the high water mark at ordinary spring tides from the east bank of the Lakhya River as it runs between the above prescribed north and south limits and similarly that part of the Dhaleswari River on both its bank eastward to longitude 90°-31'-15"E.
- (iv) *To the West*—Up to 50 yards beyond the high water mark of the ordinary spring tides from the west bank of the Lakhya River as it runs between the above described north and south limits including the Dhaleswari River upto 50 yards beyond the high water mark at ordinary spring tides on both its banks between longitude 90°-30'-00"E and longitude 90°-31'-15"E.

(ii) *To the West*—That portion of the Meghna River to the westward of the outfall of the Dakatiya River which lies East of longitude $90^{\circ}38'10''E$ and bounded on the north by latitude $23^{\circ}14'00''N$ up to 50 yards beyond the high water mark at ordinary spring tides from the East bank of the Meghna River within these described limits.

(iii) *To the North*—Up to 50 yards beyond the high water mark at ordinary spring tides from the north bank of the Dakatiya River as it runs between the above described east and west limits.

(iv) *To the South*—Up to 50 yards beyond the high water mark at ordinary spring tides from the south bank of the Dakatiya River as it runs between the above described east and west limits.

(4) Khulna-Daulatpur

(i) *To the North*—A line drawn east and west across the Bhairab and Mujud Khali Nulla at latitude $22^{\circ}25'45''N$.

(ii) *To the South*—A line drawn east and west across the Rupsa River at latitude $22^{\circ}46'40''$.

(iii) *To the East*—Up to 50 yards of the high water mark at ordinary spring tides from the east bank of the Bhairab and Rupsa River as they run between the above described north and south limits including both banks of the Mujud Khali Nulla, south of latitude $22^{\circ}55'45''N$.

(iv) *To the West*—Up to 50 yards beyond high water mark at ordinary spring tides from the west bank of the River Bhairab and Rupsa Rivers as they run between the above described north and south limits.

(5) Barisal

(i) *To the North*—A line drawn east and west across the Barisal or Arial Khan River at Latitude $20^{\circ}43'00''N$.

(ii) *To the West*—A line drawn east and west across the Barisal or Arial Khan River at latitude $21^{\circ}41'00''N$.

(iii) *To the West*—Up to 50 yards of the high water mark at ordinary spring tides from the west bank of Barisal or Arial Khan Rivers as it runs between the above described north and south limits.

(iv) *To the East*—Up to 50 yards beyond the high water mark at ordinary spring tides from the east bank of the Barisal or Arial Khan River including the Bukhainagar Nulla eastward to longitude $90^{\circ}23'30''E$.

(6) Tongi

(i) *To the East*—A line drawn north and south across the Tongi Nala at a point measured along its south bank 2 miles east from the eastern side of the eastern parapet wall of the Mymensingh Road bridge at the village of Tongi.

(ii) *To the West*—A line drawn north and south across the Tongi Nala at a point measured along its south bank 2 miles west from the western side of the western parapet wall of the Mymensingh Road bridge at the village of Tongi.

(iii) *To the North*—Up to 50 yards beyond high water marked at ordinary spring tides from the north bank of the Tongi Nala as it runs between the above described east and west limits.

(iv) *To the South*—Up to 50 yards beyond high water mark at ordinary spring tides from the south bank of the Tongi Nala as it runs between the above described east and west limits.

By order of the Governor,

K. W. JACOB,

Jt. Secy. to the Govt. of East Pakistan.
